Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner attempted to contact law firm of Keil and Weinkauff to inform them that Office action appeared to have been returned to the PTO. Examiner was informed that firm of Novak Druce and Quigg was now handling the application and that customer number 26474 was originally provided in declaration of 9/22/03. Examiner indicated that the PTO had erred in not originally sending correspondence to this customer number and the Office action of 9/12/06 would be remailed.
